To Whom It May Concern:

At the request of Eschenfelder Landscaping, I am happy to write this letter of recommendation to any prospective client. I recently contracted Willie and his crew to re-landscape and put in a new driveway to our home. Their attention to detail, prompt response time, and expertise was demonstrated in the final outcome: a beautiful design that is aesthetically pleasing, low maintenance and looks great all seasons. We were extremely impressed with the quality of design on such a challenging site.

In addition to the quality work they performed, Willie and his staff have always been responsive to our requests and to any concerns we may have had. Thus, we are not only very pleased with their level of service and work ethic, but also with our decision to use Eschenfelder Landscaping.

Sincerely,

A handwritten signature in black ink, appearing to read 'Robyn Smith', written in a cursive style.
